MORE as a CyberStar!

CyberStar Supernova!

Learning Lounge's superstar participants who qualify as CyberStars between October 1 and December 31, 2010 will be entered into special drawings for these great prizes – that's triple the number of normal monthly prizes!

To be recognized as a CyberStar, log on to BestBuyLearningLounge.com and successfully pass a qualifying set of training modules. Every month you become a CyberStar earns you an entry into that month's drawing as well as the quarterly drawing. (See the [Win Prizes > CyberStar](#) page for details.)

The more you train, the more you increase your chances to win!
